Wine Glass molding specifications

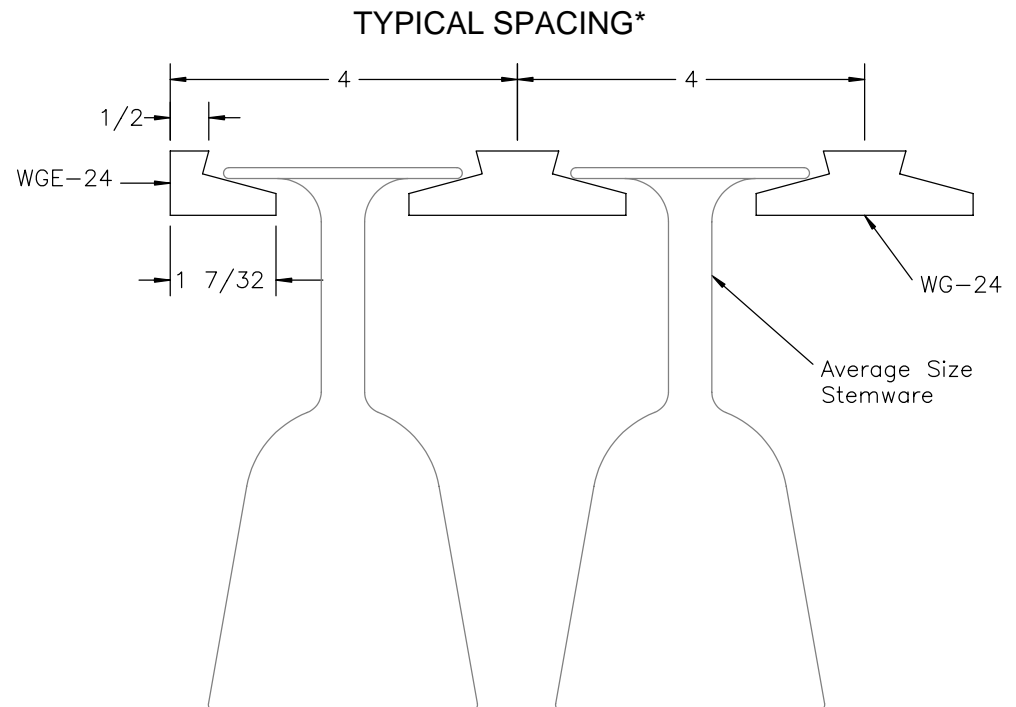

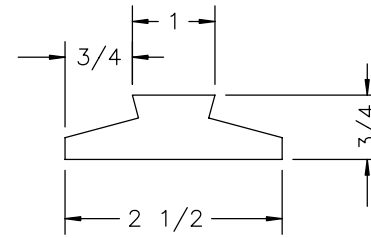

WG-24-P, WGE-24-P - Select D grade White Pine -

WG-24-O, WGE-24-O - Select grade Red Oak -

FEATURES:

Comes in 24" lengths. Can be easily cut in half for mounting under kitchen cabinets. Some light sanding may be required prior to applying finishes. Moldings are sold by the piece.

Available in "T" moldings (used between stemware) and "L" moldings (used at ends).

*Actual spacing of these moldings will depend upon the thickness of the glassware stems.
